

St John's CE Primary Newsletter

26th June 2020

Our Value this half term is Peace: Please join us in looking out for any members of our community demonstrating Peace and living out this value.

Help required!

We are currently developing an outdoor area to provide a calm and tranquil space for children to access during the school day. Particularly at this current time, mental health and well-being is a priority for all and so this area would provide a calm haven to relax, read, learn some gardening skills and much more!

Any donations to develop this area would be greatly received e.g. planters, seating, wind chimes etc. If you have any expertise that may help us in this project, please contact Ms Smith:

nsmith@stjohns.worcs.sch.uk.

Summer holidays

Just to clarify, the school will close for all children on Friday 17th July and will reopen on Thursday 3rd September.

National seat belt enforcement campaign

29th June – 12th July

West Mercia Police are urging all motorists to stay safe and belt up.

The UK campaign is co-ordinated by NPCC, to improve road safety and to ensure motorists are using their seatbelts and child restraints correctly. Your child has the opportunity to design a poster to promote this campaign.

Entries need to be sent into school by 1st July 2020 (they can be emailed)

Mental Health and Well-being

We are here to offer support during these difficult times. If you need any advice regarding Mental Health and Well-Being, please contact the school or visit our school website: Safeguarding and Inclusion, for further advice and support.

Coronavirus

If you present with any symptoms at all, or a member of your household are awaiting test results, please notify the school.

Speech and Language:

Stop the DVD. Before you play a DVD, tell all the viewers that you will be stopping it at some point. Choose a really exciting time to stop it. Ask everyone to guess what they think will happen next. Why do they think that?
