Logging on using your mobile phone or tablet device

Go to your app store or play store and search for google classroom.

Once it's downloaded, click the app. Click 'get started' to sign in.
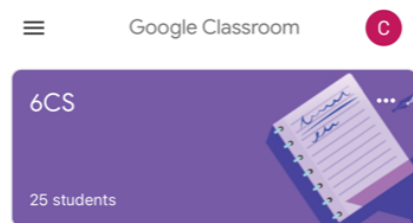

It will ask you to sign in.

Your child's email address will be in the format of firstname.surname@stjohns.worcs.sch.uk

For example: john.smith@stjohns.worcs.sch.uk

Their password has been randomly created made up of numbers and letters, using both UPPERCASE and lowercase.

This is your child's view of their classes. They should only see the class which they are apart of. When the child clicks on their class, they will then be able to see what 'assignments' they have got to complete.

When your child logs in, it may come up with this message. Scroll down and press accept to move on.
