### What we will learn

- Identify at least three objects used in worship in two religions and give a simple account of how they are used and something about what they mean
- Identify a belief about worship and a belief about God, connecting these beliefs simply to a place of worship

#### Making connections

- Think, talk and ask good questions about what happens in a church, synagogue or mosque, saying what they think about these questions, giving good reasons for their ideas
- Talk about what makes some places special to people, and what the difference is between religious and non-religious special places.

#### Understanding Impact

- Give examples of stories, objects, symbols and actions used in churches, mosques and/or synagogues that show what people believe
