"Shaping Lives, Shaping Futures"

"Start children off on the way they should go, and even when they are old, they will not turn from it" Proverbs 22:6

19th May 2020

Dear Parents/Carers,

I hope you are all safe and well.

Firstly, I would like to thank you for all of the work that your children are doing at home. We appreciate that it is not an easy task in such difficult circumstances but the staff are really impressed with the work that they have seen.

Following the government's announcement to reopen schools to reception, year 1 and year 6 children on the 1st June, we have worked closely with the Spire Academy Trust to establish a plan that prioritises the safety of all our pupils and staff whilst also ensuring a transition back into school that supports their emotional well-being during such difficult times. The letter that is being sent to parents of children in reception, year 1 and year 6 is available via the website.

The government's intention is that all primary children should be back in school by the end of the summer term. Currently, we have no set date for when your child is likely to return to school. As soon as we are notified of your child's year group returning to school, we will contact you and share with you how the transition period will be managed.

We thank you for your patience and understanding during such unprecedented times. We are looking forward to welcoming your child back into school.

Yours sincerely

Mrs Lowe
